2. MDOT Village Partnership Initiative (VPI)
 - Town Manager has been meeting with Maine DOT Regional Planner Stephen Cole on the scope of the project and has a contract ready to be signed.
 - Contract is for \$50k for a traffic engineer to evaluate the village area from School Street on Main Street and Shore Road to Hoyt's Lane and make recommendations. The scope recommended by this committee is attached.
 - \$25k would come from the Town's allocated ARPA funds and \$25k would be matched by Maine DOT.
